

Post Storm Guidelines:

- Town Staff is working diligently to mitigate the effects of the storm.
- Be patient as the Town begins the clean-up process.
- Avoid walking and/or driving through flood water.
- Be aware of electrical wires and other dangerous debris.

Water & Sewer operations are back to normal

Preliminary Damage Assessment:

- Canals
 - Property Owners on canal streets are strongly encouraged to carefully inspect their homes for damages due to flooding
- Beachfront
 - Roof and shingle damage
 - Fence and pool damage
 - Deck and railing damage
 - Frontal dune damage
- West End
 - West of the Highrise, high erosion and severe walkway damage observed

Safety

- All vehicles, including golf carts, should be PUSHED out from underneath any structures that experienced flooding BEFORE attempting to start them.
- We also recommend disconnecting vehicle batteries as an additional precaution against house fires. There is a possibility of sparking which could lead to an electrical fire in the garage or storage area, possibly resulting in the loss of life or dwelling.
- Food may spoil if refrigerator power is off more than a few hours. Freezers will keep food several days if doors are not opened after power failure, but do not refreeze food once it begins to thaw.
- Notify your insurance agent or broker of any loss and leave word where you can be contacted.
- Make temporary repairs to protect property from further damage or looting. Use only reputable contractors (sometimes in the chaotic days following a disaster, unscrupulous operators will prey on the unsuspecting) - check with Ocean Isle Beach Town Hall for a list of reputable contractors. Keep all receipts for material used.

Park

- Town Center Park is still closed to the public and will re-open as soon as possible.

Trash/Recycling/Debris

- Regular trash pick up is scheduled for Tuesday. Recycling will also be picked-up on Tuesday.
- All items should be inside your polycarts. GFL (the Town's sanitation service provider) is NOT responsible for picking up storm debris or any items left outside polycarts.
- Brunswick County landfill and convenience centers open as usual Saturday, Oct. 1.
